What to expect and how to prepare:

In this workshop you will learn about (German) assessment centers.

The topics of the discussion will be the types of exercises and tests applicants may face and how you can prepare for assessment centers in Germany.

The focus will be on how you can best present your skills, strengths and experience in the context of typical assessment center tasks, what you can do in challenging situations and how you can put together a toolkit for a successful assessment center.

**The Workshop is free!**

**Location: Online**

### **What is a SprachCafé?**

The SprachCafé is a meeting place, where you can practise the German language without taking part in an official language course. You meet a nice group of people, chat over a cup of tea or coffee.

Come along if you want to improve your German, have fun and meet nice people!

This event takes place every second Thursday.

### **Location:**

stW BERLIN, Konferenzraum 2  
Hardenbergstr. 34  
10623 Berlin

## **Seminars: Register Now for the Consortium's Spring 2024 Co-Led Online Seminars**

Registration is now open for the Consortium's selection of free, online seminars. This semester's courses include a wide variety of subjects, from Afghan history and contemporary Arabic literature, to historical memory in Eastern Europe and global health in conflict settings.

These seminars are designed to connect endangered, exiled scholars to the global academic community as well as offer students of all ages the opportunity to re-engage with the classroom. Seminars are free and open to anyone in the world with an internet connection. To find a complete list of past co-led online seminars, check out the [seminar archive page](#).

## **Critical Legal Training at ECCHR - Ongoing call for applications**

The Critical Legal Training (CLT) at the European Center for Constitutional and Human Rights (ECCHR) is calling for applications to the internship program aiming to train the next generation of critical human rights lawyers and human rights defenders.

Participants work for at least three months under professional supervision in one of the four ECCHR program areas. These practical insights are complemented by weekly curriculum activities coordinated by the CLT team. Further information on the CLT can be found at: <https://www.ecchr.eu/en/case/critical-legal-training/>
