<b>English for specific purposes I</b> (two different language levels)  3 SWS                      5 credits		<b>Organisation and communication</b>  4 SWS                      5 credits			
<b>20 SWS                      30 credits</b>	<b>22 SWS                      25 credits</b>	<b>18 SWS                      25 credits</b>	<b>6 SWS                      25 credits</b>	<b>19 SWS                      25 credits</b>	<b>6 SWS                      20 credits</b>

Total credit points: 150 credits plus 30 credits\* (recognition process) = 180 Credits (credit points)

\* The module 'vocational self-assessment' includes an integrated acknowledgement procedure for the recognition of professional skills gained during vocational training. After audited completion it grants 30 credits.

The bracketed credits mark the proportionate workload for courses which are spread over two semesters (to be found in 2<sup>nd</sup> to 5<sup>th</sup> semester). One credit point equates a 25- to 30-hour workload.

SWS: number of weekly lecture hours (= 45 minutes)
