<b>Total number of 45 minute periods/week</b>		<b>23</b>	<b>19</b>	<b>23</b>		<b>(90) 75</b>

The semester information also details the type of session: S = seminar, L = lecture, W = workshop with the designated number of 45 minute periods per week (e.g., 'S 2' denotes one 90 minute seminar each week). The designated number of credits is awarded if the module is completed successfully. One credit entails approximately 25-30 hours of work (workload).

Modules can offer the following forms of assessment, in accordance with § 6 Sec. 2 of the Study and Examination Regulations (*Fachspezifischen Studien- und Prüfungsordnung*): 1 = Written test; 2 = Final paper (esp. research paper); 3 = Oral examination; 4 = Practice report; 5 = Further type of assessment (presentation, etc);

\* The assessment of these modules is not included in the final overall grade for the BA.

Module	Requirements	4th Sem.	5th Sem.	6th Sem.	7th Sem.	Assessment	Credits
