## PLAYMATE-TUTOR SOUGHT FOR AUTISTIC CHILD

We seek a playmate-tutor for our 6,5-year old atypical-autistic son to help his language development and school readiness.

### Eligibility

- 🌀 Bachelor or Master Students who has had a special needs education training previously, OR had a training/helping experience with an autistic child
- 🌀 Energetic, funny and loves playing with children
- 🌀 Patient and compassionate
- 🌀 Has German as first language OR very fluent in German

### How often?

Two or three times a week, 2 or 3 hours each time (depending on how it goes with the child)

### Payment

Varies between €15- €20/hour depending on the experience and qualification

### The Scope of Work

- 🌀 Developing the child's German language abilities with games and activities (The child's first language is Turkish)
- 🌀 Playing developmental games for improving the child's communication skills
- 🌀 Doing activities and exercises from the provided materials for school-readiness.

### Where?

In Wilmersdorf (Very close to S-Bahn Halensee)
