

Contact scholarship for exchange students within the STIBET I programme of the DAAD – summer term 2026

Provided the appropriation of funds by the German Academic Exchange Service (DAAD), the International Office will award **one so-called “contact scholarship” for exchange students at ASH Berlin** („Kontaktstipendium“). The scholarship is financed by the DAAD STIBET I programme from funds of the German Federal Foreign Office (Auswärtiges Amt, AA). Selection criteria are good academic achievements, student engagement as well as your current social/financial situation.

The earliest start of the scholarship is April 1st, 2026. The scholarship period will end on July 31st, 2026 at the latest. **Scholarship amount: 250 € per month.** Students with chronical diseases or a certified degree of disability of at least 50% may be eligible for additional financial support.

Requirements:

- You do *not* have German citizenship and that you do *not* have a German university entrance certificate.
- You have been accepted at ASH Berlin during summer term 2026 as an exchange student from one of our international partner universities.
- You cannot apply if you already receive a full scholarship from German, European or international sources or foundations for the same purpose or if you already receive any other scholarship or any other financial support from the DAAD.
- You must be physically present in Berlin during the scholarship period unless there are any official travel restrictions or travel bans preventing you from travelling to Germany.
- If you are being awarded the scholarship, you may not have an additional income of more than 1.345€ (before taxes and assuming that you will receive a scholarship of 250€ per month) according to the regulations of the DAAD. Otherwise the scholarship must be declined.
