Register for Exams/cancel registration for exams

Important registration information. Please read carefully!

Students wishing to obtain an exam certificate for a **course they are officially enrolled in** as per valid exam regulations for the current course of study, must use this function to **sign up online** with the **corresponding teaching staff for the respective examination**.

If students are **unable** to sit the exam on the date they have registered for, they must proceed to cancel registration for the exam before the exam date, using the cancellation function.

Registration for exams and cancellation of registration for exams are binding.

Please bear in mind that the registration / cancellation of registration function is only activated within an established period for the current semester (see lecture schedule)

Important: Only when you accept this notice by clicking on the box below can you proceed with your desired actions. Left click on the "Next" button and then choose the corresponding examination.
