

Declaration of Authorship for Academic Papers/Thesis at the Alice Salomon Hochschule Berlin *(Resolution of the Academic Senate of ASH Berlin dated February 10, 2026)*

I hereby declare that I have written this academic work/thesis independently, without assistance from third parties, and using exclusively the sources and permitted aids indicated. Content from other works, whether quoted verbatim or paraphrased in meaning, has been appropriately cited. Even where I have cited from my own sources, this has been properly indicated. This academic work/thesis has not been submitted in identical or similar form to any other examining authority and has not yet been published.

If there is a printed version of my academic work/thesis, I certify that it corresponds with the digitally submitted version of this work.

For the preparation of this academic work/thesis, I have used generative AI (Large Language Models/LLMs)

Yes **No**

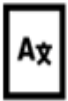

If **'Yes,'** I confirm that this has been done in accordance with the 'Guidelines on the Use of Generative Artificial Intelligence (AI) in Academic Papers at the Alice Salomon Hochschule Berlin' (Academic Senate resolution dated February 10, 2026).

The completed usage description for this academic work/thesis has been completed in accordance with § 5 of the guidelines (see template).

Date, Name, Surname, and Signature

Usage Description (Resolution of the Academic Senate of ASH Berlin dated February 10, 2026):

Area of Application		Reason
		To identify relevant academic literature and data sources for the research topic.

 AI Translation		To translate texts or terms between different languages.
 AI Proofreading		To verify spelling and grammar.
 AI Analysis		For empirical theses regarding data processing, evaluation, or analysis. NOTE: The use of AI for these purposes must be coordinated with the examiner and explained in the methodology section of the thesis/project.
Other areas requiring approval		

Information regarding usage/publication:

I agree / I do not agree that my master's thesis be made available in the library of the Alice Salomon University of Applied Sciences Berlin, in consultation with my first supervisor. *(not relevant for project report)*

I agree / I do not agree that my name and the title of my master's thesis/project report be published on the program's website.

I agree / I do not agree to have the abstract of my master's thesis/project report published on the program's website.

My master's thesis/project report has words *(only main text, without attachments)*.
