Important Information for VISA CANDIDATES:

We can only issue your official documents for a student visa application at a German Embassy or Consulate after we have received the registration fee of EUR 300.00! The earlier the payment is made, the earlier we can provide you with all necessary documents for your visa application. Public transportation ticket for students (“semester ticket”)

Students in Berlin have the opportunity to buy a public transportation ticket with student discount. As a non-consecutive Master’s program, students of ICM can choose whether they would like to purchase the ticket or not.

The costs of the semester ticket are currently **EUR 193.80**

In case you want to purchase your semester ticket, please transfer the amount of EUR 193.80 **additionally** to your registration fee to the bank details as to be found below.

Tuition Fee

The over-all tuition fees for the whole program Master of Arts “Intercultural Conflict Management” (MA-ICM) are currently **EUR 9,170.00** for full-time degree students.

The installment for the first semester of **EUR 2,640.00** must be transferred no later than **June 30th, 2023 after your admission.**

There are three options for paying the tuition fees:

Option 1: Full payment

Paying the total amount of **EUR 9,170.00**.

Option 2: Payment per Semester

The tuition fees can be paid in three installments of 2640 EUR each (3 x 2640 = 7920) and one installment of 1250 EUR for the last semester.

The installments are then due:

June 30, 2023 for winter semester 2023/2024

January 15, 2024 for summer semester 2024

July 15, 2024 for winter semester 2024/2025

January 15, 2025 for summer semester 2025

Option 3: Payment in installments

Tuition fees can be paid as transactions of **EUR 440.00 per month for the first three semesters**. A semester ticket is excluded in this option. Semester tickets have to be purchased with a separate payment, as mentioned above. For the last semester, it is possible to pay in one installment of **EUR 1250.00** or in two installments of **EUR 625.00** each.

Please note that, while payment in installments is possible, the tuition fees for the first semester must be paid entirely before the beginning of the first semester. For example, if you receive your admission at the beginning of July, you will be able to pay the first semester tuition fee in three installments of EUR 880.00 for the months of July, August and September. From October onward, the installment payment scheme outlined above (EUR 440.00 per month) will apply.

Please inform us via e-mail which option you would like to choose.

Penalty for delayed payments

Please note that, as mentioned in the student contract, delayed receipts of payment can be fined with EUR 19.90! If the student fails to pay the fees after receiving a demand note and a final deadline, the university is entitled to cancel the student contract and ex-matriculate the student from the program. For the enforcement of claims further legal actions can be taken. **In case of personal or financial difficulties we advise our students to inform the program management in a timely manner so that we can offer student counselling and find an individual solution.**
